ATHLETICS (SENIOR)

Liaison Director: John Rodwell

On 23 and 24 November Illawong Revesby Workers' Athletics Club competed at the NSW State Relay Championships. This is the premier teams' event of the summer competition and sees teams from across the state compete.

Our club entered 31 teams with over 70 athletes competing ranging from 11 years old - 50+ years old. We had lots of athletes running for the club for the very first time while others competing for the first time in over 26 years.

It was terrific to see such diversity of ages and abilities competing as part of a team over the two-day event. Overall everyone had enormous fun and our teams competed with great determination.

At the end of the weekend our medal tally was:

4 GOLD | 6 SILVER | 7 BRONZE

Thanks to all the support from all the parents and friends in the grandstand cheering and screaming encouragement to the very end of each event.

Huge thanks must go to Karen Herrmann and Michael Dooley for organising all the teams (herding cats was an expression regularly used), to our club captain Jess Thornton and coach Cassandra Dooley who helped coach the track teams on the day.

THANK YOU to the volunteers who helped on Saturday.

Lastly THANK YOU to all the athletes who competed for Illawong Revesby Workers' Club over the weekend.

If you want to see some great relay races over the weekend go to our Facebook page for videos and photos.

A friendly reminder about our cross-country season that will commence at the end of March 2020. Check out our Facebook page in March for further information.

AUSTRALIAN NATIVE ORCHID CLUB
Liaison Director: Christine Benham

The Revesby Workers' Australian Native Orchid Club had a reasonably successful year in 2019 despite the trying weather conditions which affected orchid flowering times and the number of plants in flower.

The Club finished the year with a successful October Spring Show held in the Revesby Workers' Club. The 244 plants exhibited at this Show were of very high quality with four of the Club's members receiving five distinction awards from the Orchid Society of New South Wales.

The following members received Champion awards at the October Spring Show:-

Scott Barrie – Grand Champion Orchid, Reserve Champion Orchid, Champion Seedling Orchid, Champion Hybrid Orchid and Best Specimen Orchid. Jan Robinson – Champion Species Orchid. Greg Knight – Best any other Orchid. Bob Menzies – Best Intermediate Orchid. Congratulations to the members who exhibited the Champion winners.

The Club meets in the McArthur Room of the Revesby Workers' Club on the fourth Wednesday at 7.30 pm from March until November. Meetings are usually finished by 9.30 pm. The membership comprises both female and male participants, Visitors and new members are always welcome. Experienced growers are available to assist beginners at the meetings.

The meetings are very informal and include a light supper which allows plenty of opportunity for a social chat. Guest speakers are arranged for some meetings and they provide information on a variety of topics associated with the growing and culture of Australian Native Orchids and their colourful hybrids.

If you would like to attend a meeting please contact the following for directions to the Club's meeting room or any aspect of growing Australian Native Orchids. Don Roberts, President on 9771 5474 or Ian Lawson, Secretary on 9773 6047. Good growing

BOWLS – LAWN (MENS) Liaison Director: Ian Stromborg

The final of the Major/Minor pairs was played between Wayne Dewberry/Peter Shean versus Rob Okeefe/Steve Jackson. By all accounts this game developed into a Wayne Dewberry exhibition match.

Although he was the "Lead" evidently he was unmatchable neither by Rob or Jacko and this gave his Skip, Peter, had an armchair ride with very little to do. They ran out comfortable winners and Peter, Rob and Jacko all agreed Wayne, who is not long out of the rookies, was man of the match. As they say in the classics "this kids' got talent". Congratulations.

Consistency singles final 16/11/19
This game was between Rod Clifton and Darryl Oehlamm, two finalists who had taken all before them and it was all set up for a great final and it didn't disappoint.

Rod led for most of the match, not by much but he just kept in front and by end 14 he was holding a 12 point lead, not much in this high scoring game. Then on end 17 Darryl took the lead for the first time and on end 23(of 30) he had 11 point lead. A win was there for the taking, Darryl kept the lead and at end 28 was still in front but by a mere 2 points. Can he hang on and win? Well Rod had other plans and brought out the heavy gear to register a seven, seven, finish to take out the title 153 to 147.

They don't come much closer than that. A great game.

It's December and that means Ham and Turkey day at The Sports Club. This is an annual event sponsored by our good friends at Olsen's Funerals and of course our parent body RWC, who always kick in to keep this event going. Our thanks go to them both. It was a beautiful day, a bit smoky from those cursed bush fires that plagued us last year but the show must go on.

We had over 80 members and for the first time a strong women's contingent. Great stuff ladies! It was at the triples game where our winners were; C. Heaslip, T. Heaslip and D. Godfrey, 2nd place went to the ladies team of, Lyn Gallant, Janet O'Brien, and Jan Calderon. Well done ladies. Third place went to our own Rocky Gallant, Jan Stiskala and John Banes. We know these events don't just happen, a lot of work goes into the running of these games and it was again done by all the usual suspects. No names, I might miss someone, we all know who they are and we all thank them for their efforts to give us a wonderful day. One fella we are not sure of, was thanked by Bowls Pres. Rocky was a bit puzzling "Chevor the Teff"??? Don't know him but thanks anyway. He also thanked the staff Kerrie, Robert, and the rest of the bar staff including our Trevor the Chef, who all served up our food and drink with great gusto. Hmm.

The final of the Graded Fours was played on 8/12/19 and wound up what has been a busy 2019 for our bowling club with many games and special events taking place throughout the year. This final was played between Col Heaslip's team of Glenn Miller/James Sprice and John Banes against James Clifton's team George Atme/Pat Martin and Jan Stiskala. James got to the lead early in this event and try as they may Colin's crew could not bridge the gap and James team ran out winning comfortably 23-16. That's not to say it wasn't a fitting game for a final as it certainly was, the ends won were even, ten a piece, with James's team withstanding the challenge each time Colin's team charged at them. It has been a good year for James who has Club Champion attached to his crowded resume. Well done James.

Our presentation night was a day/nighter starting at 5pm and going on through the night. It was the first time we have used this format and looks like it won't be the last. After the presentations were done with, the band struck up and had our members up on the "dance floor" dancing to their great sound. The band is called "6 shots up" amongst them

was two of our bowling club members Kip Royall who is a "leftie" and a surprise packet was our vice-pres Dave Raper also doing a great job on guitar.

That was the year that was and didn't it go quick, had its ups and downs but we look forward to a new year and new decade, a hundred years ago it was called the "roaring twenties" Will this decade get a name that will be remembered in 100 years' time? Or more importantly will we bowlers still be around. (I wonder if Francis Drake said that too, all those years ago.)

On behalf of our bowls Pres Denis Gallant and his committee we wish a happy new year and good bowling for the next 12 months to all our members and their friends.

Merv Elder
Publicity Officer

CRICKET

Liaison Director: Christine Benham

This summer season is well underway, with the finals being played in March. Performances have been good, generally, but we are having fun and that is what park cricket is about! Thank you to our wonderful band of volunteers – coaches, captains, scorers and managers. Cricket cannot be played without people stepping up to take on these roles.

In the past, wet weather has caused inconvenience, with ground closures and washouts. Not this season! With the current drought conditions, grounds that Council held back for necessary works have been delayed in being returned for play, and top dressing has been delayed because the grounds have been so dry. For the first time in living memory, play has been cancelled because of hazardous air quality due to the massive bushfires.

The popular Woolworths cricket programs for the very young – Junior Blasters for 5-7 year olds and Master Blasters for 8-10 year olds - are again being run at an Association level this season, with sessions being held on Saturday mornings, commencing at 9am at Vale of Ah, Auld Ave Milperra. Numbers have been great and we are delighted to have so many parent volunteers involved.

At the other end of the scale, our 40s team played two matches in November, against the GONE team (Gentlemen Of Nowra Eleven) and the CBC Bank in very enjoyable matches. The match against GONE was played in Nowra, involving a trip there the previous evening and the expected "bonding session", while

the match against the CBC was played locally at Smith Park. Our team, The FORCE – Fathers Of Revesby Cricket Eleven – now has its sight set for the next Golden Oldies Festival to be held in Harrogate, Yorkshire, UK in August 2020. Fundraising is underway.

All of the other players, junior and senior, have been doing the Club proud, with some great performances and displaying the true spirit of cricket!

We hope everyone had a very happy Christmas and wish you all a bright and successful 2020. Enjoy those backyard and beach cricket matches over the summer, and where possible please support the wonderful fire fighters who have spent seemingly endless hours on the ground, and also the people doing it tough through the ravaging drought.

Thank you to all who played their best and thanks to these amazing award recipients whom we all are inspired by.

The RWFC had another successful fundraiser for the RWC Charity Committee and Bankstown Hospital with successful events held throughout the year.

Our contribution has helped the Bankstown Hospital to buy necessary equipment and we look forward to putting on some more fantastic fundraisers in 2020.

Summer Football has been a great success with over 400 registered players across four divisions of AAL, O30s Ladies, Girls 12s-16s and Juniors 7s to 10s. Milperra Reserve has been the home of RWFC Summer football with programs running 4 nights a week. Everyone had a great time and enjoyed the opportunity to stay in condition during the off season.

Another successful and fun year for RWFC on and off the field and we would like to extend big thank you to the Revesby Workers' Club for their continued support. To our Committee, Coaches, Managers and Volunteers; thank you! Without your hard work all of this wouldn't be possible.

To our new and returning players and volunteers, there are some exciting things happening in 2020 with registrations open early January and pre-season events kicking off mid to late January, Kids Kindy Soccer and much more. Stay tuned to the RWFC Facebook and website for more details.

GARDEN CLUB
Liaison Director: Christine Butters

Everyone is welcome. Revesby Workers' Garden Club meets on the first Saturday of the month (except for January and December) from 9.30am for registration, competition entries and raffle ticket sales.

The meeting begins at 10am until 12 noon, in the Waratah Room at the RWC. We have a two-category competition each month, with 1st and 2nd prizes in each, with small cash prizes. We have a guest speaker each month, they speak on a variety of topics, and it is not always plants and gardens.

October 2019, three members from Revesby Workers' Garden Club, at their own expense, attended Garden Clubs of Australia Convention which was held on Norfolk Island. Over three hundred

members from all across Australia attended the AGM. So many tours were arranged for us, including many open gardens that were all so different and a credit to their owners. We attended a progressive dinner, where locals open up their homes and served us an entrée, main or desert.

The highlight was the Farewell Clifftop Dinner, which included the Fish Fry at sun set, so many beautiful photos were taken. By the time the week was over we had met so many locals and most of the Garden Club members. We had the opportunity to meet members from the drought affected areas of NSW and women that were also members of the Country Women's Association. We heard firsthand how bad it is in regional NSW.

At our November meeting, Val Kennedy proposed that we donate \$1,000 to the Country Women's Association for those that are doing it tough. Priscilla Duncan our Vice President suggested that we donate \$2,000. That was seconded with overwhelming support and carried.

Vale to Noreen Nolan, Jean Apter and Barbara Samuels, all outstanding contributors to our Garden Club. They will all be sadly missed.

LADIES GROUP
Liaison Director: Christine Butters

The Ladies Group meet each Wednesday.

The first week of the month is an outing or coach trip. This year our coach trips have included a shopping trip to Birkenhead Point, the Wollongong Club, the Jewish Museum and Christmas at the Carrington Hotel Katoomba.

The other Wednesdays we meet from 9.30 am to 11.30 am in the MacArthur Room situated in Dixon Lane adjacent to the Revesby Workers Club. For these meetings we have a hospitality officer and some jokes, as well as some very interesting guest speakers. This year our guests included the Rainbow Fashion Parade, Bob the Memory Man, Jim Haynes the author, storyteller and songwriter, May Prince who spoke about the food we eat to keep our bodies healthy, Pedro who played the guitar while everyone enjoyed the singalong and Mrs Morton, a librarian from the Jessie Street Library who spoke about the history of Australian women.

We are finishing 2019 on the 11th of December with lunch together and will be happy to see each other when we return on the 8th January, 2020. There is always room for new faces, who will be made welcome.

Analysis of the member survey has led The Fundraising Committee (FC) is to explore a small number of fundraising, PR and team building events.

To ensure we are not overreaching the members, the most popular from the survey results are to be explored further.

The success of these activities will have a bearing on the enthusiasm of members to participate in the future.

The following events were discussed with the committee and input and permission to undertake these activities is now sought from the Executive:

- Bunnings BBQ
- Boat ramp PR with fundraising
- Barefoot Bowls and/or Trivia night

Bunnings BBQ Thornleigh

Sports Reports

Bunnings event manager has responded to our request and two dates have been allocated to us for BBQs to be run next year:

1. 24 May 2020
2. 23 August 2020

- The committee will work with the appointed BBQ manager Greg Grobbenbacher to facilitate the days.
- Advice was sought from Hornsby council as to the requirement of food safety and handling certificates and we have been advised that this is not required as we are not storing food to be served later. General food handling guidelines do need to be adhered to. Bunnings have supplied documentation with our requirements around this as well as duration of the BBQ and anticipated amounts of food.

Boat ramp PR with fundraising

- The committee discussed boat ramp PR/Education and fundraising.
- 2nd Starboard watch attended both Parsley Bay and Deerubbin boat ramps on duty weekend 23 November and were extremely well received by members of the public. Boating information and safety packs were made up by the duty crew and handed to member of the public with a number of people assisted with downloading of the Marine Rescue App.
- It was discussed that the optimum times to attend the ramps was between 6.00 -8.00 am to catch the fisherman. A second visit between 9am and 10am could also be explored for the families.
- Marine Rescue sell promotional items and it was discussed that we could sell these for items for profit. For example, floaty key rings. (price list attached)
- A boat box would be required for cash donations and the Apple square could also be utilised
- Boating safety and Marine Rescue information packs including a LOG ON sticker to be made up and distributed to members of the public. The committee discussed acquiring personalised LOG ON stickers similar to other units that are smaller in size and have the units contact details on them. A quote was obtained and it was decided by the committee that unless a grant was applied for, these funds could be spent on more valuable items to the unit.

Barefoot bowls and Trivia night

- The committee discussed the options of a fun, morale boosting event that could be combined with fundraising.
- It is envisaged this event could be

run mid-year out of the peak boating season.

- Permission is sought from the executive to run this event.

Boat licence/Radio courses

- The committee discussed the existing boat licence and radio courses that generate significant income for the unit.
- The committee requests that firm dates are diarised for the courses to allow for promotion of the courses via social media. Events can be listed on our Facebook page which has options for people to mark themselves as interested. This would allow the unit to see anticipated numbers and gauge if courses are required and advertise the courses for free.

TENNIS CLUB - JUNIOR
Liaison Director: Dennis Hayward

Juniors have nearly finished tennis for another term and are ready for Christmas holidays.

Beginners played the Saturday morning competition at Panania tennis centre and also Smith Park Centre, East Hills and they enjoyed round robins and doubles play with trophies being handed out at the end of term (which will be Dec 15 2019).

There were seven teams (of 2) who entered the Mid Western tennis competition, playing against teams from Berala Carramar, Ryde, Brenan Park, Auburn and Smithfield.

They all enjoyed the harder competition which was a singles of best of 3 sets and then a doubles with their partner. They played at Panania or Sefton as their home courts.

Sports Reports

All children did very well and enjoyed the experience of playing Home and Away around our neighbouring tennis centres.

In Division 1A – the RWC 1 team of Jaye and Ivan were first past the post with 27 points throughout the competition. Unfortunately Jaye the No 1 player sustained a shoulder injury and had to get a reserve. Both boys played very well and finished overall 2nd in the competition – the highest level of play. The grand final is to be played on Dec 15 and we hope that this time they win overall. Jaye and Ivan also played in Interdistrict competition

In Division 1B we had 2 RWC teams: RWC 3 – Bradley Dale and James – a new team together who finished in 2nd place. Well done!

And CBTA/RWC 6 – team of Kane Melville and Zisis – a young team who have played a few times and finished coming 1st in this division – we hope they make the grand final.

Division 2A we had a new team coming up from the Juniors – team CBTA/RWC 2 – Samuel and Paniz. They did very well and at time of writing had finished 3rd overall in the points.

Also in Division 2A the team CBTA/RWC 4 of Michelle and Alissa did well, with one injury during the term.

Division 2B the new team together of Frankie and Matt Dale played well together and enjoyed the competition.

Division 3 – a new team CBTA/RWC 7 – Inesh and Mahmoud who did quite well for their first time, finishing about 5th overall.

The Grand finals of the Mid Western Competition will be held on Dec 15 and we hope that a few of our RWC teams get through this time.
